

HOW TO GET TO PROGER BUILDING

Proger Building is between the Atrium and the Pratt/Farnsworth Buildings.

Get there from the 800 Washington St. entrance: Walk straight past Au Bon Pain on your left and into the Atrium. On the left, you will see a double staircase next to the Gift Shop. Take this up one floor to the Proger elevators. There is also an accessible elevator to the left of the staircase that will take you up to Proger 1.

Get there though the Third Floor Corridor: Getting to many points in the hospital is easiest using the third floor corridor, which connects all our buildings.

From the garage, take the stairs and exit at the 3rd floor. Take a right towards the Atrium. As you approach the Atrium, stay left to Proger. Take the yellow elevators to your floor.

For an accessible route , take the garage elevator to the Ground level. Enter the building and follow the corridor left to the Floating Hospital elevators. Go up two floors to the Floating 3rd floor, exit the elevator bank to the corridor and go left towards the Atrium, staying left to Proger. Take the yellow elevators to your floor.

From other hospital buildings: From Floating, Biewend, Proger, North, or South Buildings, take any elevator to the 3rd floor corridor. Follow the the 3rd floor corridor to the Atrium. As you approach the Atrium, stay left to Proger. Take the yellow elevators to your floor.
