*Working Wonders* is Tufts Medical Center's signature fundraising event. Dedicated to raising philanthropic support to advance our mission of excellence in patient care, training and research, this annual benefit evening celebrates our patients and their caregivers. This year's program will highlight our Trauma Center – one of a few elite trauma centers verified by the American College of Surgeons as a Level I trauma center – and the achievements of our highly skilled trauma team in saving the lives of people who are critically-injured or ill.
